Youth - Inpatient/Outpatient Treatment Centers

ASAP and STAR Programs through UNM Health (Teens under 21 and Adults 21+)

Albuquerque
505-994-7999

The Addiction and Substance Abuse Program (ASAP) is a comprehensive treatment facility focused on treating substance use disorders in adults through Case Management, Medication-Assisted Treatment (MAT), Outpatient Detoxification, Primary Care, and Outpatient Psychiatric Services and Therapy. The STAR Team serves teens under the age of 21 and includes staff that specialize in the treatment of addicted adolescents and their families. There are also special teams for Dual Diagnosis (addiction and mental health diagnoses), for people who are pregnant or who have recently given birth, and a team for adults with trauma/PTSD. <https://unmhealth.org/services/behavioral-health/addiction-recovery.html>

Serenity Mesa (Youth and Young Adults ages 14-24)

3701 Condershire Dr SW, Albuquerque
505-877-3644

Serenity Mesa is a sober living facility that provides misuse treatment and housing services for youth and youth adults. Their services are free to all youth regardless of insurance or ability to pay. There can be a long wait list.

Delancey Street New Mexico - Española (Adults ages 18+)

San Juan Pueblo, NM
505-852-4291 ext. 304

Residential vocational training school for adults who have experienced any type of addiction and have already been through detox. Delancey Street is not a rehab facility and there are no medical professionals on staff. Delancey Street is a fully self-sufficient community where all are responsible for pitching in, and funds are made through workshops, catering, and other on-site ventures. There is no cost associated with residency.
